up until 7:30 PM to place your order.**

Other weekday Clubhouse hours may be limited.

Thank you!

During the many changes brought to us by our Wisconsin Governor, Tony Evers, and President, Donald Trump, over the last couple of months, we appreciate your understanding of the sometimes rapid changes we have had to make at the Club.

From being completely closed to limited carry-out dining, and now the golf course starting to open up - we will get through this and move forward!

While I'm not at the Club every day during this time, you can reach out to me via e-mail if you have any questions. I cannot wait to see you back at the Club.

KCC Board President

In spite of every day feeling like Groundhog Day, I am pleased to welcome all of you to the 2020 Golf Season. The start of this season is unlike any other that we have experienced here at KCC. The top priority of the KCC Board and management is the safety and well-being of the KCC Staff and Membership. We have, and continue to receive guidance from the WSGA, PGA and the WI Chapter of Club Management Association of America to aid in our decision making process as we strive to get all aspects of our Club back to normal while adhering to the Governors "Safer-At-Home" Orders. We are very happy the golf course opened last this week, albeit with some restrictions to the normal KCC protocol.

On another note, it is with a heavy heart that I regret to inform you that Ms. Jenn Sinclair an eight-year employee of KCC who most recently served as the Restaurant Manager suddenly passed away in March. The condolences and prayers on behalf of the entire KCC Family go out to Jenn and her family; may she rest in peace.

I would like to end by sending a heartfelt thank you from all Kenosha Country Club Members to our KCC Angels, Dick and Liz Uihlein, for their extremely generous and continued support of Kenosha Country Club. Also, thank you to our fabulous employees who have, and continue to do everything they can, to take care of our members and to get KCC operations back to normal. Finally, thank you to all of our members for your continued support of KCC even in these trying times.

Please stay healthy and safe and I look forward to seeing you at the Club.

Mike Burke

General Manager

As I write this, it is a beautiful day; the sun is shining and the course is open for play with about 90 members enjoying a truly fabulous day at KCC.

The course opening for play is the first step in what I hope will soon be additional restrictions lifted. I know that it has been a tough time for so many of you and your families, and your endurance and resilience is to be commended.

You have shown me and the staff what amazing people you are, and how much you truly care about our club family. We are definitely family and that is one thing that makes this Club so unique, and something that each one of you should be proud of. We could not get through this without your support and care – THANK YOU!!!

If you haven't checked out our YouTube videos, I encourage you do so. Each week, we will feature our staff sharing with you various instruction related to their department. We are also in the process of putting together an on-line cooking class where you will be able to pick up the ingredients from the Club and then follow along at home. We have a few details to work out – our goal is to have the first class the week of Monday, May 11th, so watch for an announcement.

Don't forget that we have Mother's Day To-Go on Sunday, May 10th. The meal includes two entrees (Chicken & Salmon), along with a Salad, Vegetable, Starch, Rolls and Dessert. Further information is posted on the front page of this newsletter.

We are here for you, so please let me know what we can do for you during this challenging time.

I look forward to the day when we can all be together again.

Take care and stay healthy,
Dedra Rippee

Grounds Superintendent

Welcome to the 2020 Golf Season - Finally! It has been an interesting start to the spring, navigating through the "Safer at Home" mandate, but overall things have gone smoothly. The winter was kind to the golf course. We had snow cover when we needed it during the extreme colds, insulating and protecting the turf, and it melted and moved off of the fine turf quickly, so that ice was never an issue. It was also a productive winter for the Grounds Department, refurbishing all of the on-course accessories (tee markers, benches, ball-washers, garbage cans, etc.) and servicing all of our equipment. Our goal every year is to have everything fixed, refurbished and serviced by late February/early March so that we are ready for whatever the Wisconsin spring wants to throw at us. Our Equipment Technician, Justin Prescott, and Assistant Superintendent Pat Bastron, met that goal with time to spare.

I would like to give a big thank you to our Golf Professional, Eric Malone. With the Golf Shop closed due to the pandemic, Eric volunteered to help on the Golf Course, mowing rough and prepping the bunkers for play. At a time when we were short-staffed it was a fantastic display of unity and support, that we greatly appreciated.

Finally, I would like to thank my mentor Paul Bastron. After six seasons as the Golf Course Superintendent at KCC, Paul has retired from full-time work. He was great leader and a fantastic person to learn from. Paul will still be around, working part-time, and continuing to lead the restoration project that he started when he was hired.

I look forward to seeing everyone on the course this year.

Harrison Beal

We would like to extend a BIG THANK YOU to Golf Superintendent, Harrison Beal, for the great condition of the course so early in the year.

Tennis Professional

Welcome to the 2020 Tennis Season at the Kenosha Country Club! My staff and I are very excited to get things started out at the Tennis Courts. I would like to start off by saying hopefully everyone is healthy and safe due to COVID-19. I know my staff and I have taken measures to be prepared for a May 26th start date on the courts.

In addition to Tennis and Pickleball events, classes and lessons, I am happy to announce there will be a Tennis and Swim Camp being held on Fridays throughout the summer. We are all looking forward to the start of Camp on June 19th. Watch your e-mail and future newsletters for more information. It's designed for ALL levels, so don't hesitate to sign-up. There will be games, prizes and instruction to let your child have fun and develop some basic tennis skills. If you have any questions about the camp or any of the classes or events please reach out to the Club, Tennis Shop or myself.

We will see you out on the courts very soon.
